To Whom It May Concern:

This letter is to verify that [REDACTED] any drivers authorized on the car rental agreement, when using Chase Bank USA, National Association card number ending in [REDACTED], are eligible for worldwide coverage under the Auto Rental Collision Damage Waiver benefit. This includes the previously excluded countries of the Republic of Ireland, Northern Ireland, Israel, and Jamaica. Coverage is not available where it is prohibited by law or by individual merchants, or is in violation of the territory terms of the rental agreement.

Subject to the terms and conditions of the Guide to Benefits, the Auto Rental Collision Damage Waiver reimburses you for covered theft or damage up to \$75,000. Valid administrative and loss-of-use charges imposed by the auto rental company as well as reasonable towing charges that occur while you are responsible for the rental vehicle are also covered. The following must be met in order for coverage to apply:

1. Only vehicle rental periods which neither exceed nor are intended to exceed thirty-one (31) consecutive days are covered.
2. The Loss/Damage Waiver offered by the rental agency must be declined by the cardholder in any state or country except where prohibited by law.
3. The entire rental transaction must be secured and charged to the eligible card.
4. Anyone driving other than the person whose name is embossed on the card must be listed as an authorized driver on the rental contract.
5. The damage or theft must have taken place during the rental period as outlined on the rental agreement and acknowledged by the cardholder or authorized driver.

This coverage is primary where available. It does not duplicate insurance provided by or purchased through the car rental company; it will not pay for losses reimbursed by the cardholder's own insurer, employer, employer's insurance or any other valid insurance.

The coverage specifically excludes antique automobiles; certain vans; trucks; motorcycles, mopeds and motorbikes; limousines; and recreational vehicles. All claims must be reported immediately following the loss, but in no event later than 60 days following the date of loss. Please note that other terms and conditions may apply. If you have any questions regarding the Auto Rental Insurance benefit, please call the benefit administrator at 1-800-356-8955, or call collect at 804-673-1691, 24 hours a day.

Sincerely,
